SDS WEDNESDAY SEMINAR SERIES

Cases Studies with Trane Technologies

Wednesday September 15th, 2021 | 4:00pm – 5:00pm

This session will be virtual with Brent Louie from Trane Technologies. He will provide a broad overview of the types of interviews companies use to assess candidates and walk through an example of what a case interview might look and feel like. Attendees will improve their ability to successfully interview for a job in the field.

Spring 2022 Graduate Assistantships

The SDS is now accepting Graduate Assistantship applications for the Spring 2022 semester. The portal will remain open until the end of the Fall 2021 semester To Apply please click on one of the links below:

[DSBA GA Application](#)

[HIA GA Application](#)

Fall 2021 Graduation Application Deadline: HIA and DSBA

All students (Master's or Certificate) who plan to graduate this fall must apply for graduation by no later than **Wednesday, September 22, 2021**.

To be eligible to apply for graduation students:

1. Must be enrolled during the Fall 2021 term.
2. Complete the online graduation application by the deadline (Wednesday, September 22, 2021).
3. Be on track to complete all the course requirements for your academic program by the end of the Fall 2021 term.

More information on the DSBA process can be found [HERE](#).
More information on the HIA process can be found [HERE](#).

DegreeWorks Audit: On Track To Graduate?

DegreeWorks is a web-based planning tool that provides an accurate display of required coursework and **helps students monitor their progress towards graduation**. Students can access their real-time audit in DegreeWorks via my.uncc.edu and should **routinely check their progress towards degree completion**.

For any required **courses that are in the Fall Through or Not Counted sections** of DegreeWorks **submit an Academic Petition** that requests the courses be counted towards your program requirements.

If you believe your audit contains errors or the requirements do not match the catalog, students should contact:

Josh Hertel: jhertel@uncc.edu
Brenda Bradrick: bbradric@uncc.edu

Students who started in the Certificate program and transferred to the Master's program:

Please review your DegreeWorks for both your certificate and master's program and complete an application to graduate from both programs.

SDS Bootcamps Fall 2021

SDS has three Boot Camps: Python, Statistics, and Introduction to R

Registration for the fall semester SDS Boot Camps is now open to students. These training modules are open to all students actively enrolled in the DSBA or HIA programs. These online courses were **created as a free resource for students**. They are intended to be utilized as introductory or foundational review tools.

More information about the courses can be found here:

Students currently enrolled in the Fall 2021 sections must complete the bootcamp by Tuesday, December 7, 2021.

Student Council News

Mentorship Program:

NCTech Career Fair - Tech Job Expo

Wednesday, October 20 | 8:30am - 1:30pm

The EXPO is a **virtual** event allowing job seekers and employers to connect live via chat and video. Job seekers can visit virtual booths to learn more about the participating employers. Employers customize a virtual booth with a corporate description, employee benefits/perks, social media links, job vacancies and more. You can view the list Booths, though check back often because employers just started registering. NC TECH will also offer informative webinars for candidates to learn more about navigating a virtual job expo and to meet certain employers.

Presidential Management Fellows (PMF) Class of 2022 Application Cycle

The Presidential Management Fellows (PMF) Program is administered by the U.S. Office of Personnel Management (OPM). The PMF Program is a leadership development program at the entry-level for advanced degree candidates in STEM fields. As such, students in the DSBA and HIA PSM programs are well-positioned to apply for this program. The Program attracts and selects the best candidates possible, but is really designed with a more narrow focus - developing a cadre of potential government leaders. It provides some sustenance during the first years of employment and encourages the development of leadership capabilities. The PMF Program inculcates a lasting bond as well as a spirit of public service, ultimately encouraging and leading to a career in the government.

The PMF Program Office has announced the dates for the upcoming PMF Class of 2022 Application:

- **OPENS-** Tuesday, **September 28**, 12:00 pm (EST)
- **CLOSES-** Tuesday, **October 12, 2021**, 12:00 pm (EST).

These dates have been posted here: <https://www.pmf.gov/become-a-pmf/2022-application/>. PMF Class of 2022 Finalists will be announced approximately six weeks after the application closes. Please monitor the webpage for updates.

For the 2022 PMF application cycle, a revised assessment has been introduced to improve the process in a variety of areas including addressing concerns around equity. PMF is also **enhancing recruiting efforts with greater outreach to diverse communities**, including expansion of their engagement with Minority Serving Institutions, enhanced recruitment through the alumni network, and use of strategic recruitment platforms.

The updated "[PMF Applicant Handbook](#)" is posted on the PMF website. The **Handbook details** the annual application process, explains eligibility requirements, required documentation, and provides an overview of the online assessment process, all with the goal of preparing prospective applicants to

submit successful applications.
